## SCHOOL DATA AND CURRICULUM

New reading and math curriculums to continue to increase student proficiency. We also have coaches and interventionists to support instruction.

## HIGHLY QUALIFIED AND VETERAN TEACHERS

Most of our teachers (over 95%), are state-certified with many years of experience.

## NEW PLAYGROUND, SCHOOL LIBRARY, AND COMPUTER LAB

We have a newly designed playground, a library with hundreds of new books, and a MAC and robotics lab.

## SPECIALS CLASSES

We offer African American Studies, Dance, Gym, and Test Prep for additional support.

## SCHOOL CLIMATE

We have a safe school environment with a School Safety Officer, Deans, Counselors, and Climate Staff.

## HEALTH SERVICES

We have a veteran nurse who manages a health suite for students.

## FAMILY-STYLE BREAKFAST AND LUNCH

Our program offers fresh family-style breakfast and lunch options.

## COMMUNITY PARTNERSHIPS

We have programs that offer family housing, mental health support, monthly food pantries, and a school thrift store. We also host community and family volunteers.

## BUILDING MAINTENANCE

Our building has air conditioning, which increases safety and reduces school closures.
