

BETHUNE ELEMENTARY!

We are currently hiring for the following positions:

PreK-4 Teacher

Middle School Math and Science

Middle School Reading and Social Studies

Climate Support Staff

School Highlights:

- A diverse staff that reflects our student population
- Veteran and highly qualified teachers in each grade band
- Newly designed playground, school library, and MAC and robotics lab. We offer African American Studies, Dance, Computers, and Gym preparation periods
- A fully released academic coach, deans (2) and counselors (2) for the lower and upper schools, and a reading specialist
- School Safety officer, five climate team members, and family volunteers to support school climate.
- Veteran nurse who manages a health suite for students and connects with community partners for free dental exams, glasses, nutrition, and other health supports.
- We have programs that offer family housing, mental health support, monthly food pantries, and a school thrift store. We also host community and family volunteers.
- Parking Lot and easy access to public transportation
- Air Conditioning
