

Mary McLeod Bethune Elementary School  
School Year 2025 - 2026  
Major Morris  
Grade 6 Math and Science Educator  
Room 208 (majmorris@philasd.org)

Dear Parents/Guardians,

Allow me to (re)introduce myself. My name is Major Morris. I will be your scholar's Math and Science educator for the 2025-2026 school year. This previous year, I was the 5th grade Reading and Social Studies teacher. So I am very familiar with many of the students. I am looking forward to continuing to work with you on your child's educational experience.

In order to keep you aware of what we will be doing, I will be sending home a monthly agenda of what topics we will be exploring. In addition, the schedule will include a schedule of quiz and test dates. I encourage every parent to sign up for ClassDojo in order to stay in touch. Also, my personal cell phone number is available upon request. Thank you and I look forward to meeting and chatting with you on Back-to-school night.

Major Morris, M.Ed  
Grade 6: Math & Science
