

Welcome to 7th Grade Math & Science!

I hope you had a wonderful summer and are ready to get back to learning! I am ***super*** excited to be your teacher (and have a wonderful school year full of fun, growth, and learning for 2025 - 2026).

Here is a brief overview of what we will be learning in 7th Grade:

- **Unit 1:** Scale Drawings
- **Unit 2:** Introducing Proportional Relationships
- **Unit 3:** Measuring Circles
- **Unit 4:** Proportional Relationships & Percentages
- **Unit 5:** Rational Number Arithmetic
- **Unit 6:** Expressions, Equations, & Inequalities
- **Unit 7:** Angles, Triangles, & Prisms
- **Unit 8:** Probability & Sampling
- **Unit 9:** Putting It All Together

The best way to contact me throughout the school year will be through the app, ClassDojo. I will be sharing our ClassDojo information at the beginning of the year, so you and your family can stay connected and updated about school events and happenings throughout the year.

We will have an amazing, fun-filled year with lots of learning, and bring our best attitude and effort to class everyday. Enjoy your last few days of summer vacation, and see you soon! ☺
